GANGISHETTY VISHNU TEJ

B.Tech, Computer Science and Engineering (AI & ML) | VNR VJIET, Hyderabad

vishnutej2610@gmail.com • GitHub • LinkedIn • LeetCode • CodeChef • HackerRank

PROFILE

Second-year Computer Science and Engineering (AI & ML) student with a strong academic foundation and hands-on exposure to frontend development through collaborative projects and hackathons. Building proficiency in C, Java, SQL and data structures, with interests in practical web applications and problem-solving.

EDUCATION

VNR Vignana Jyothi Institute of Engineering and Technology (VNR VJIET) | Hyderabad

B.Tech in Computer Science and Engineering (AI & ML) • Second Year

First-year CGPA: 9.725 / 10 Semester 1: 9.65 / 10 Semester 2: 9.80 / 10

TECHNICAL SKILLS

Programming: C, Java | Database: SQL | Tools: Visual Studio Code

Currently learning: Data Structures & Algorithms

PROJECTS

Capacity Connect | Smart India Hackathon 2026

- Collaborated on a digital capacity-building and learning management portal designed to map competencies, identify skill gaps and recommend relevant learning.
- Contributed to frontend development and prepared project presentation material to communicate the solution and technical approach.

Medicine Finder | In Development

- Developing the concept and frontend for a platform that helps people identify nearby medical stores with required medicines in stock.
- Designed the proposed user journey around medicine search, store availability and pickup or delivery options when offered by a store.

ACHIEVEMENTS

- Received a Certificate of Merit for securing second rank in class, with a 9.80 GPA in Semester 2.
- Completed the first year of B.Tech with a 9.725 CGPA.

LEADERSHIP & ACTIVITIES

Street Cause, VNR VJIET | Volunteer

- Supported outreach activities for Dandiya Nights as part of a student-led social service initiative.

VJ Hackathon 2025 | Participant

- Participated in problem exploration, solution ideation and project presentation.
